Data Sharing Agreements

March 14, 2024

Data Sharing Agreements

Pursuant to R.S. 17:3914, school systems are required to have a contract or data sharing agreement in place with private vendors that deliver services in order to share personally identifiable student data (PII).

For the 2023-2024 school year, school systems will need to opt-in to any new or expiring data sharing agreements. Please use the [Data Sharing Agreement Tracker](#) for downloading agreements and for uploading agreements with the appropriate approvals.

For questions or concerns with Data Sharing Agreements, contact Idedata@la.gov

Pearson - Dyslexia Screener - *new & required*

The LDOE has executed a statewide data sharing agreement on behalf of school systems to utilize services with Pearson for purposes of providing services related to and for the Dyslexia Screener by Pearson.

[Pearson - Dyslexia Screener Data Sharing Agreement](#)

[Pearson - Dyslexia Screener LEA Opt In Addendum](#) – Should be signed by the school system superintendent and submitted to the LDOE either by uploading the signed agreement to this [JotForm link](#) or by emailing the signed agreement to LDEdata@la.gov

Data Collections: Getting Started

Security

LDOE is undergoing a multi year process to integrate all LDOE data systems with EdLink Security. During this time security will be provisioned for legacy systems through TAS and all systems that are new or have been recently enhanced will be provisioned through EdLink Security.

The [Security Resource Page](#) has information on gaining access to all LDOE data systems.

eSER Report Updates

- **UPDATED:** Student Profile Report- Includes:
 - Both LRE for Timeframe A and Timeframe B
 - Trigger date for Timeframe B
 - Eval Type [I, R (triennial reeva), D, NC, SC]
 - Draft Create Date
- Post School Transition LEA Summary

eSER Updates

- **Jurisdiction Update:** If there is no “plus” symbol, and you receive a message about an open eval or reeval but you do not see an open eval, **check the RDR.**
 - Has the RDR been submitted?
 - Is there an RDR dissemination date? If that date is missing, please submit a ticket to systemsupport@la.gov so it can be added. Going forward the RDR will not be submittable if the dissemination date is missing. (*Update not released yet.*)
 - It is possible that there will be unsubmitted RDRs that were not caught before moving jurisdiction. When possible, have the prior LEA submit. If this is not possible, contact systemsupport@la.gov . Be sure to include whether the RDR should be submitted or deleted.
- If an evaluation is noted as **Unable to Complete**, the LEA will no longer get an error and can claim jurisdiction

eSER Updates

- **Student Profile Report**
 - Student may have been missing from the report because there was no referral record. These students are now included. To assist with clean up filter column I, “Reason”, to No Referral and add the referral record in.
- **Program Services**
 - The character allotment has been increased to 6000
- **ESY**
 - The issue with ESY records not populating on amendments has been resolved. In some cases, users may receive a validation “error” which indicates going back to the ESY record and resaving, ***even if it’s blank.*** Once that is complete, the validation error will resolve.
 - Validation Error: *You must re-save an ESY record even if it is blank to validate.*

eSER Updates

- **K-3 Lit Accommodations**

- The issue with K-3 Lit Accommodations not carrying over for the amendment has been resolved. If the accommodations are missing from a submitted amendment, please submit a ticket to systemsupport@la.gov. Be sure to state which TMD these accommodations need to carry over from. These will be resolved individually.

- **Evaluation Extensions-*This is not a policy change. These are check puts in place to ensure policy is being met. For questions reach out to specialeducation@la.gov***

- Users can only enter 1-30 days for parental extension.
- Users can only enter 2 parental extensions.
- Users can only enter 1 End of Year Extension (max 60 days-this does not display, but it automatic).

eSER Updates-Available after 6PM update 3/9/24

- **RDR**
 - Spelling correction: “Received Date” under *Information from Input, Interviews and/or Observations from Current Service Providers*
- **April Dunn Act Validation Error Language Update**
 - Changed “Act 833” to “April Dunn Act” applied can only be selected when Program Services April Dunn Act Eligibility is set to Yes.
- **Placement**
 - If (Trigger date year - student DOB year) is less than 5, it will show PreK PLRE, otherwise it will show Kindergarten PLRE.

eSER Updates-Available after 6PM update 3/9/24

- **Student Profile Page**

- Users will see **Active/Inactive status** next to the **Relink from eScholar** button. This is an eScholar status; however, in order to easily search for students and have them show correctly on count reports, this status should show active.
- Hovering over the **question mark** explains that hitting delete on the student profile page inactivates the student. Relinking will update to an **Active** status.

DOB:

Status: **Active** 

and after clicking the question mark

Student Profile

State ID:

Relink Student's Status

While a student may have a current eval, IEP and open services, to be active and searchable in eSER, the student must also be linked to an active status in eScholar. If a user hits delete at the bottom of the student profile page, the student becomes inactive in eSER. To reinstate an active status in eSER, relink from eScholar.

eSER Updates-Available after 6PM update 3/9/24

- **Evaluation Page**

- Some out of state transfer students were entered in Legacy as re-evals. This caused issues with creating a new re-eval, since an initial is required to generate the “add/plus” button.
- Students already in the system with an out of state referral will now see the “add/plus” button.

Evaluation Summary

Report Disseminated Date	Exceptionality	Evaluation Type	Start Date	Add Reevaluation	View/Edit	Delete
5/15/2013	Autism	Out of State Transfer	5/15/2013

eSER Updates-Available after 6PM update 3/9/24

- **SPED Activity**

- Exit Reason Update

- “Reached 22nd Birthday or Previously Earned Diploma” has been changed to “Reached 22nd Birthday”
- Users cannot select this exit code unless the student is ≥ 22 on the exit date. Users will get this error message if the parameters aren’t met: ***“Student has not reached the maximum age required for use of this code.”***

System Support is receiving a high volume of CVR emails.

LDOE is aware that CVR is currently not allowing districts to edit data and we are working with the programmer to fix the issue.

LDOE will be communicating updates as they are given, in the announcements section of the [CVR Support Page](#). Please continue to monitor the announcements section for updates.

CVR

- The existing [Curriculum Verification and Results \(CVR\) Reporting Portal](#) and process will remain unchanged for the 2023-2024 school year.
- Roster verification ensures that teachers are assigned to the correct courses and classroom rosters of students for the purposes of value-added (VAM) analysis. The data in CVR will be used to calculate a teacher's VAM score even if the teacher and/or the principal do not verify the roster.
- For the 2023-2024 school year, teachers instructing ELA, Math, and Science (grades 4-8), and Algebra I, Geometry, English I and English II courses (all grades) should verify their rosters, as they are eligible to receive VAM scores.
 - Teacher instructing Social Studies (grades 4-8) are not required to verify rosters as the assessment is in transition.
- Contact systemsupport@la.gov with questions regarding roster verification, and compass@la.gov with general Compass related questions

CVR

- The general rules for CVR have not changed.
- CVR provides teachers the opportunity to review and correct their courses and student rosters for the purpose of value-added (VAM) analyses.
- VAM scores contribute to 35% of a teacher's overall evaluation.
- Additional discussion and opportunity for questions will occur in weekly office hours and Strategic Outreach sessions.

Canopy Professional Learning Platform

March 14, 2024

Professional Learning Platform

The [Canopy Professional Learning Platform](#) will be released for all school system employees at no cost to the school system.

This user-friendly, statewide platform will house all 2024 Teacher Leader Summit materials, ACT 260 Numeracy Trainings, LEADS Evaluation Assessments in addition to a variety of other professional learning opportunities.

Superintendents are encouraged to opt in to the [Partially Automated Teacher Access](#) process in the EdLink Security dashboard to allow the school system to submit teacher/staff records to EdLink 360 that are needed for the system to grant the Canopy Learner role to all classroom teachers in your system.

Additional information can be found in the [Canopy Permission Guides_K-12 School Users](#).

Please contact amanda.slaughter@la.gov with questions.

Professional Learning Platform-Data Managers

Encourage your superintendent to opt-In through EdLink Security to grant all classroom teachers a role in Canopy. For districts that have not opted-in, the LEA Security Coordinator will have to manually approve each teacher's Canopy Learner request.

Begin working with your system leaders to determine your system's plan of action for all employees to get their EdLink credentials and Canopy permissions.

Please contact amanda.slaughter@la.gov with questions.

Steps for EdLink Automated Classroom Teacher Access

Step 1: Superintendent Opt-In: Superintendents select the Partially Automated Teacher Access tab in their EdLink Security dashboard.

Note: *Superintendents must opt-in to the process each school year.*

Step 2: Classroom teachers must create an EdLink account with their district email.

Step 3: District Data Managers must submit teacher emails with the staff records through EdLink 360.

Please contact amanda.slaughter@la.gov with questions.
